I am requesting that the meter at _____ be pulled. I understand that there will be a final bill owed when the water meter reading is taken. If there is a refundable security deposit it will be used to offset the final bill and I will be responsible for any remaining balance.

By this request I also understand that my membership with the District will be considered abandoned. An abandoned membership means there is no membership to transfer to another owner. To restore water and /or sewer service to this property will require payment of the fees set by the Board of Directors for reinstatement of an abandoned membership.
