

Information on Applications

The Board of Directors approved the following actions at the regular Board meeting on April 13, 2021.

1. Change in the application document. The new document is uploaded for you to print or come by the office for a copy.
2. Change in the application process. The new process includes an application for service that will be reviewed. If approved a Service Agreement will be signed by both the applicant and the District.
3. The District has suspended the approval of non-residential use applications for new service, reinstatement of abandoned service, and transfer of Membership. The District is currently working with an Engineer to determine the ability of the District to provide additional service connections. Any applications approved during this time will have provisional approval for residential use only up to 20,000 gallons per month.

If you have questions about this new process please contact the office Monday thru Friday between 9AM and 12Noon. If you are unable to contact us during those hours please leave a message on the answering machine for a time that would work for you and we will make contact.
